SUPPLEMENTARY INFORMATION: In 2008, Congress established CIGIE as an independent entity within the executive branch in order to address integrity, economy, and effectiveness issues that transcend individual Government agencies; and increase the professionalism and effectiveness of personnel by developing policies, standards, and approaches to aid in the establishment of a well-trained and highly skilled workforce in the offices of the Inspector General. CIGIE's membership is comprised of all Inspectors General whose offices are established under the Inspector General Act of 1978, as amended, 5 U.S.C. app (IG Act), as well as the Controller of the Office of Federal Financial Management, a designated official of the Federal Bureau of Investigation (FBI), the Director of the Office of Government Ethics, the Special Counsel of the Office of Special Counsel, the Deputy Director of the Office of Personnel

Management, the Deputy Director for Management of the Office of Management and Budget (OMB), and the Inspectors General of the Office of the Director of National Intelligence, Central Intelligence Agency, Library of Congress, Capitol Police, Government Publishing Office, Government Accountability Office, and the Architect of the Capitol. The Deputy Director for Management of OMB serves as the Executive Chairperson of CIGIE.

Section 15010 of Public Law 116-136, established the PRAC as a committee within CIGIE. The mission of the PRAC is to promote transparency and conduct and support oversight to: (1) prevent and detect fraud, waste, abuse, and mismanagement of covered funds; and (2) mitigate major risks that cut across programs and agencies with respect to covered funds. The term "covered funds" means any funds, including but not limited to loans, that are made available in any form to any non-Federal entity, not including an individual, under: the CARES Act; the Coronavirus Preparedness and Response Supplemental Appropriations Act of 2020; the Families First Coronavirus Response Act; or any other act primarily making appropriations for the Federal Government's Coronavirus response and related activities.

The new system of records described in this notice, the PRAC Data Warehouse System (CIGIE-5), will enable CIGIE to carry out its responsibilities to promote transparency and conduct oversight of covered funds. In accordance with 5 U.S.C. 552a(r),
